

The Cliff Hotel & Spa is committed to providing as comfortable hospitality as possible, as safely as possible with the safety of our staff and guests a priority as the world continues to battle the Covid-19 pandemic.

Actions and provisions adopted by The Cliff Hotel & Spa are detailed below and we respectfully request that you read and support our actions:

## Reservation and Before Arrival

1

You will only be able to share holiday accommodation with the same household. This rule does not apply to children aged 11 and under or carers for members of the household.

6

No more than Six people will be allowed to meet within the hotel unless you are from the same household. This rule does not apply to children aged 11 and under.

The Cliff Hotel & Spa continues to improve its facilities and as such, some on-going building works are scheduled to continue until May 2021. This may cause some disruption to parts of the hotel. These works restrict accessibility to certain areas of the carpark and front lawn and may affect the view from a limited number of bedrooms. Every effort will be made to limit the impact on your stay.

When making a reservation, payment card details must be provided and the first night's accommodation will be charged upon booking. This deposit payment is not refundable.

Please do not travel to the hotel if you are displaying symptoms of Coronavirus. The main symptoms being high temperature, new and continuous cough or a loss or change to your sense of smell or taste.

In the event that you have been in contact with someone who has a suspected case of COVID-19 or confirmed you will not be able to travel to the hotel.

## Staffing

Our staff are fully trained on the basic protective measures against Covid-19, such as hand hygiene, physical distancing and respiratory hygiene as well as the signs and symptoms of the disease and on all new or revised procedural policies within the Covid-19 Action Plan.

Our staff are provided with Personal Protective Equipment such as facemasks, gloves and aprons for the execution of their duties, and all enhanced cleaning and sanitation recommendations are observed including the increased use of disposable cleaning materials, increased cleaning and disinfection measures and enhanced operating procedures for waste management.

Staff are scheduled in fixed teams to limit the number of people they come in contact with and have staggered shift start, end and break times to reduce congestion in staff areas. Job and location rotation within the hotel is kept to a minimum.

## Check In/Out and Public Areas

Check-in time remains from 3pm on the day of your arrival. Check-out time remains at 10:30am on the day of your departure. Due to the current situation early check-ins and late check-outs are not available.

Full payment of accommodation costs will be required upon Check-in.

Payment card details will be kept on your Reservation and we encourage charging purchases to your room to avoid cross contamination opportunities when cash handling.

Compulsory face coverings must be worn and can only be removed when sat at your table or you are within your bedroom. Should you need to leave your table or bedroom you will be required to wear your face covering.

Units dispensing sanitising gel are installed across the hotel (front and back of house) and we ask that these are regularly used.

For public area washrooms, a queue system is in place so please allow yourself enough time, following the one-way system and only entering when the washroom area is vacant.

## Housekeeping

Housekeeping teams will be delivering a new 10 step, high touch cleaning programme in every room after check-out. These principles will also be adhered to across the hotel's public areas.

Bedrooms will be serviced daily. Should you not want this service please place the Do not disturb sign on your door. Please note however, in the interest of guest and staff welfare, rooms will only be serviced when unoccupied.

Do not place glass in bins, please place alongside.

We have temporarily removed non-essential high tactile items such as throws and cushions to reduce cross contamination opportunity.

The Guest Information Directories normally found in each bedroom have temporarily changed format. In an effort to cut down on paper and do our bit to help the environment we have put our guests directory online. You can use the QR Code located at Reception or in your bedroom. Please just ask at Reception if you would like a hard copy. These booklets include increased information on local beaches, walking and cycling routes and outdoor activities less affected by Covid-19 restrictions.
